PERSONALITY

- Open-minded
- Communicative
- Detail oriented

PROFILE

I am a junior web developer seeking a position in web development where I can apply my knowledge and skills for continuous improvement. My Angular, Web Design and PHP presentations can be seen on my [GitHub](#) account. Having run my own business, I have gained experience with clients of various backgrounds, nationalities and needs by managing event planning and collaboration skills with teams of similar business profile in the realization of joint projects, as well as digital and social network marketing.
